Mini-Circuits' standard terms and conditions apply to this Quote. A copy of these terms and conditions are available upon request and are located on the reverse side of Mini-Circuits' invoices, which terms include a standard limited warranty and disclaimers of other warranties and limitation of liability provisions. To the extent this Quote conflicts with Mini-Circuits' standard terms and conditions, the standard terms and conditions will control.

Mini-Circuits minimum order requirement: \$50.00

"To the extent that this Quote is issued in response to an offer or this Quote is considered a response to an offer based on previous documents or circumstances, then acceptance of your company's order is expressly made conditional on your company's assent to the terms and conditions of this Quote. If your company does not assent to such terms, there is no contract."

When placing your order, please advise your in-house delivery requirements.

"Department of Defense Federal Acquisition Regulations Supplement ("DFARS") clause DFARS 252.225-7014 Alternate 1 (DEVIATION) (the "Speciality Metals Clause") is not applicable because this quote contemplates that the parts in question are not for one of the programs enumerated in DFARS 225.7002-2 (m) (Jan. 2006). If parts are intended for use in one of the programs enumerated in DFARS 225.7002-2 (m), the Speciality Metals Clause is not applicable because Mini-Circuits understands that it is providing a third-tier or lower component. If the above-referenced part(s) are to be used in one of these programs and are second-tier or higher components, please send Mini-Circuits prompt written notification."

If you have any information suggesting that the commodities of this proposed order will be used in the design, development, production or use of nuclear, chemical or biological weapons or ballistic missiles or in a facility engaged in such activities then it requires prior authorization/ export license from U.S. Dept. of Commerce, Office Export Licensing, Washington, D.C., and you are strongly urged to notify us with the details in advance.

Payment terms of quote is contingent upon credit standing.

This quote is not applicable for distribution in the following Embargo/ Restricted countries and/or any entity on the U. S. Dept. of Commerce denials list: Iran, Iraq, Libya, Cuba, North Korea, Syria and Sudan.

Fees for cancellation (*) for customer convenience are as follows:

	Catalog	Non-Catalog
For orders past earliest scheduled ship date:	95%	100%
For orders to be shipped within 1 month:	95%	100%
For orders to be shipped within 2 months:	50%	100%
For orders to be shipped within 3 months:	25%	85%
For orders to be shipped within 6 months:	5%	60%
For orders to be shipped in more than 6 mths:	0%	50%

(*) Cancellation charges based on earliest request of order ship date.

To avoid cancellation charges, each line item may be rescheduled one time within 3 months of the original scheduled ship date. However, any cancellation request after the first rescheduling will be billed at 100% of the purchase order amount. These charges apply unless a model is non-cancellable, non-returnable (NCNR).

Mini-Circuits is ISO 9001 Certified. This registration signifies that our products meet an internationally accepted set of quality standards.

The parts referenced in this quote are not authorized for use as critical components in medical or life support devices or systems (collectively, "Medical Systems"). Accordingly, Mini-Circuits parts that are used in Medical Systems are sold "as is, with all faults". Mini-Circuits' standard limited warranty does not apply to parts used in Medical Systems and Mini-Circuits will have no responsibility or liability in connection therewith and same are hereby waived, all as more particularly described in Mini-Circuits' standard terms and conditions. A "critical component" is any component of a device or system whose failure to perform may result in injury to person or property or cause a failure in the device or system or affect its safety or effectiveness.

Mini-Circuits Quality Policy is to satisfy our customers through continuous improvement. To meet this goal we would appreciate details on your projected usage in order to reduce future lead time.

Payment required for order acceptance by Mini-Circuits. Leadtime will begin upon receipt of prepayment. Payment not received within 30 days shall be construed as a no charge cancellation by customer.

Your company's acceptance of this Quote is expressly subject and limited to the terms and conditions stated herein. Notice of objection is hereby given to any proposed term or condition or any alteration whether perceived as major or minor in nature. The provisions of your company's request for quote ("RFQ") and/or other documents are not expressly or implicitly incorporated into this Quote, nor are they intended to be incorporated herein. Accordingly, any reference to an RFQ or other document issued by your company is merely for identification and administrative convenience purposes only.

In keeping with growing industry demand, RoHS compliant models may be substituted for standard non-RoHS compliant models unless we receive a written instruction from your company to the contrary. RoHS compliant models are clearly marked with a "+" suffix following the base model on packaging. For individual RoHS compliant model details and Mini-Circuits' methodologies, assumptions and qualifications relating to RoHS compliance, please go to www.minicircuits.com and click on the "RoHS/Pb-free Program" button.

All MAR, MAV, VAM, RAM, VNA, ERA, PAT and GALI units should be ordered in multiples of ten (10).

"Mini-Circuits reserves the right to reject orders for parts which are to be used in one of the programs enumerated in DFARS 225.7002-2 (m) (Jan.2006) and that are second-tier or higher components. If Mini-Circuits subsequently discovers that parts ordered are to be used in one of the programs enumerated in DFARS 225.7002-2 (m) (Jan.2006) and that such parts are second-tier or higher components after an order for parts has been accepted, Mini-Circuits reserves the right to unilaterally cancel all or a portion of such order without liability."

Mini-Circuits is dedicated to 4.5 Sigma. This QUOTE IS VALID THROUGH DEC 14, 2009.

Our PAYMENT TERMS ARE: PREPAY. Freight on Board: FOB Origin.

We appreciate the opportunity to quote your requirement. For further assistance, please contact me.
